

The above is a screen print of the locations that we would like to challenge as they are within Internet Xpress's serviceable coverage area. We either can easily provide service to customers in these areas or already do. Listed below are the locations that we are challenging. If you have any questions please contact Deana Corke, Administrative Manager Desert Winds Wireless, 509-591-4438, [dcorke@dwwireless.net](mailto:dcorke@dwwireless.net). As Internet Xpress and Desert Winds Wireless are in the process of merging Desert Winds Wireless is filing on their behalf.
